NR: knit 17, slip 1, k2tog, psso, knit 17
NR: knit
NR: knit 16, slip 1, k2tog, psso, knit 16
NR: knit

Continue to decrease in this manner until
1 stitch is left.

Leaving 1st stitch on needle and with right
side facing, pick up and knit 19 stitches
evenly along top of square, turn and cast
on 19 stitches ... 39 stitches.

Repeat from 1st row until 7 squares have
been completed. Break yarn and finish
off.

1st square of 2nd Row:

Cast on 20 stitches, then with Right Side
facing and beginning at the bottom
edge, pick up 19 stitches along the right-
hand side of the 1st square ... 39 sts.
Continue as before from 1st row (wrong
side).

This pattern has been kindly supplied by the **Wondoflex Yarn Craft Centre** for use by our kogo volunteer knitters. It is a quite simple but very effective blanket pattern which results in no actual sewing together of squares which, of course, is very, very appealing!!

2nd and other squares of 2nd Row:

Pick up 19 sts along the top of square just
finished, then 19 sts along the right-hand
edge of 2nd square in 1st row ... 39 sts.
Complete as for other squares. Keep
adding squares onto squares until you
have 9 squares in length and 8 squares in
width.

Crochet Edging

Round 1:

Join yarn to just past a corner and work a
round of dc evenly around blanket,
working 3dc into each corner. After last
corner has been worked, join with a sl st
to first dc.

Round 2:

Ch1, then 1dc into every dc until the 2nd
dc of the 3dc's worked into the corner is
reached. Work 3dc into this dc.
Continue working 1dc into each dc, with
3dc's being worked into the 2nd dc of the
group of 3dc's worked in each corner.
Join with a slip stitch to complete the
round.

To Complete

Darn in ends and block work by pinning
blanket out to an even, rectangle shape,
covering with a damp cloth, and
allowing to dry.
